Profile

I'm Khush Mevada, a dedicated Web Developer and Web Designer passionate about creating responsive, user-friendly websites with modern web technologies. My focus is on delivering exceptional user experiences through clean, efficient front-end development.

With a strong foundation in web technologies and a keen eye for design, I'm committed to building modern, accessible, and performant web applications that make a difference.

Education

Parul University

Aug. 2021 – July 2025

B.Tech. in Computer Science and Engineering — CGPA: 6.9

Vidya Kunj High School

2020 – 2021

12th — GSEB — Percentage: 70%

Professional Experience

MaMo TechnoLabs LLP

Dec. 2024 – Mar. 2025

Web Developer Intern

- Worked as a web developer, developing responsive websites for clients.
- Focused on web development and modern technologies, gaining hands-on experience in building responsive and user-friendly web applications.

Projects

Portfolio Website | *React.js, Tailwind CSS, GitHub Pages*

2025

- Designed and developed a fully responsive personal portfolio using React.js to showcase projects, skills, and resume.
- Implemented clean UI/UX with Tailwind CSS, smooth animations, and modern design practices.
- Deployed on GitHub Pages with CI/CD for live updates via Git version control.

ShopInsta — Modern E-commerce Landing Page | *Next.js, React, TypeScript, Tailwind CSS*

2025

- Made using AI agents to assist with UI layout decisions, animation flows, and design inspiration, enabling faster and more intuitive development.
- Built a high-quality e-commerce landing page using Next.js 14.1.0 and React 18.3.1 for scalable routing and component architecture.
- Implemented Tailwind CSS 3.4.17 for utility-first styling and integrated Framer Motion, GSAP, Swiper, and AOS for smooth interactive animations.
- Used Formik for robust form handling, along with Headless UI and Heroicons to maintain accessibility and consistent design language.
- Focused on modern UI/UX trends, responsiveness, and engaging scroll-based effects to improve user retention.
- [GitHub: ShopInsta](#)

Learning Management System (LMS) | *MEAN Stack, HTML, CSS, JS*

Jan 2024 – Apr 2024

- Developed a Learning Management System using the MEAN stack, focusing on UX design and frontend development.
- Created an intuitive interface for course management, communication, and collaboration.
- **Mentor:** Mr. Smaranjit Ghose **Team Size:** 4
- [GitHub: Learning-Management-System](#)

YoungRights Trail | *HTML, CSS, JavaScript*

2025

- Built a user-centric awareness platform focused on educating young individuals about their rights.
- Integrated visual sections for rights-based topics, quizzes, and legal information for easier navigation and learning.
